Re-imagining the future of finance with Crypto and Blockchain

The highly anticipated Dubai edition of World Blockchain Summit is set to make its return with some of the biggest names in the global blockchain and crypto community.

World Blockchain Summit has been hosted in over 10 countries bringing together more than 30,000 attendees.

It aims to bring together thought leaders and pioneers from the industry to discuss and deliberate the trends around Blockchain technology and investment opportunities for Cryptocurrencies and Digital Assets. The summit gathers Government Authorities, Institutional Investors, Family Offices, Hedge Funds, Asset Allocators, Crypto Entrepreneurs and IT Leaders from the burgeoning ecosystem.

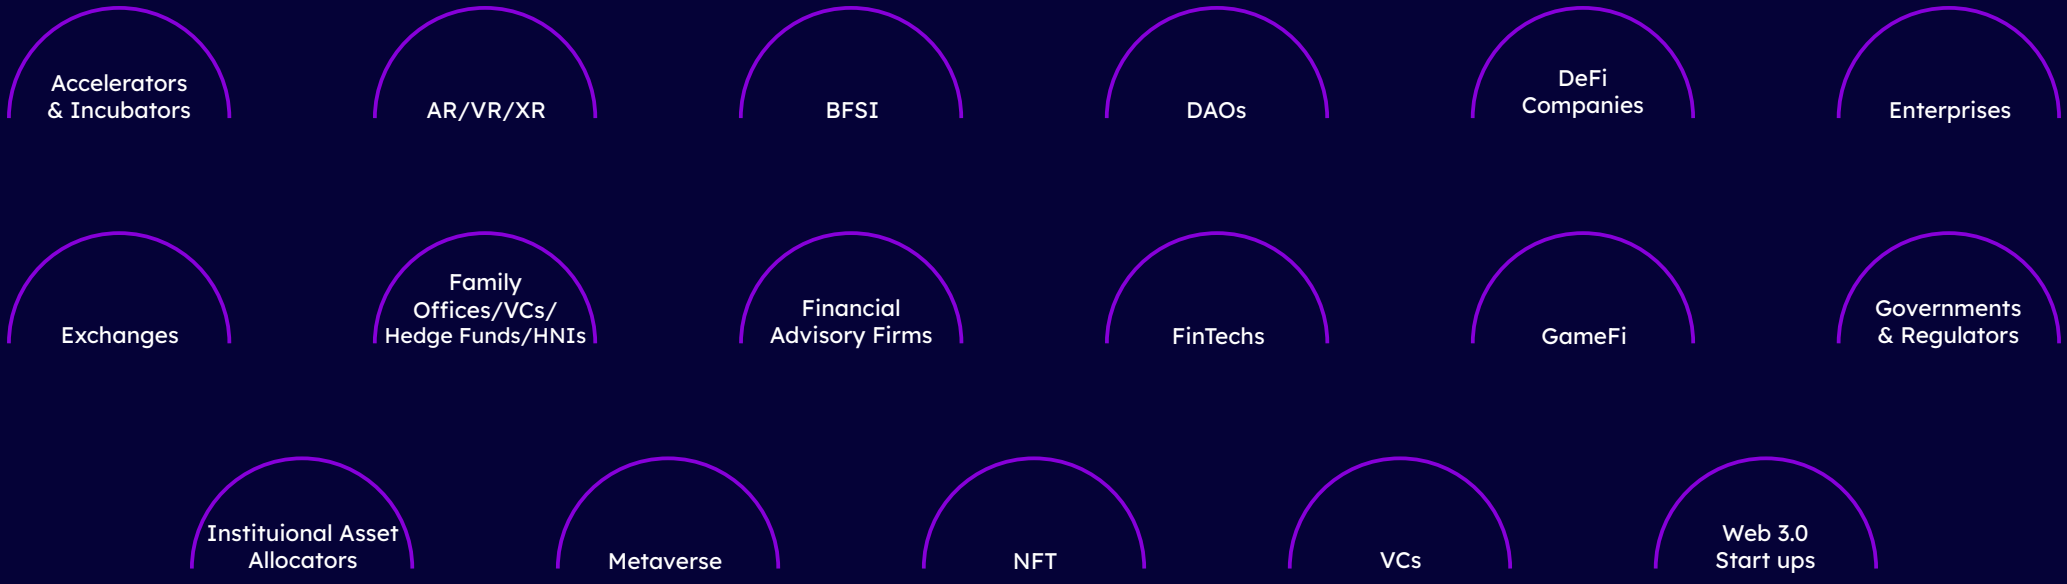

The summit also features inspirational keynotes, pitch competitions, panel discussions, investor meet-ups, project showcases, industry use-cases and a host of formal and informal networking opportunities.
