

FUTURE SUSTAINABILITY FORUM

4 - 5 Dec 2024 - Madinat Jumeirah, Dubai

Shaping Greener Economies

POST-EVENT REPORT

Organised by  DIFC

Managed by  trescon

#FutureSustainabilityForum

futuresustainabilityforum.com

FSF Overview

The 2nd Edition of the Future Sustainability Forum successfully brought together a global network of experts and innovators, continuing its legacy of driving sustainability through emerging technologies.

Featuring inspiring keynotes, thought-provoking panels, engaging tech talks, and an immersive exhibition, attendees gained invaluable insights and explored bold solutions for reducing carbon footprints and advancing sustainable economic growth.

Speaker Testimonials

“It’s been a fantastic experience connecting with professionals in sustainability and ESG. The roundtables and discussions on climate action were incredibly insightful. Looking forward to next year!”

DANIEL GRIBBIN
Sustainability and Climate Leader,
Deloitte, Middle East, UAE

“The government of Dubai has laid a strong foundation for global sustainability awareness, and with numerous organisations embracing impactful initiatives, this event has been truly valuable.”

FAISAL MOHAMMED ALSHIMMARI
Head of ESG, Mashreq, UAE

“Connecting with new contacts and building partnerships has been a great experience. The sessions offered fresh perspectives on sustainability, and ending with a forest planted alongside our partners in the UAE was truly inspiring. Looking forward to next year!”

KAREN STOREY
CEO of The Storey Group, Representative, EcoMatcher

“The Future Sustainability Forum has been exceptional! From the venue to the engaging discussions and innovative solutions on display, everything was perfect. I’m thoroughly impressed.”

”

“

It's been an incredible experience attending the 2nd Annual Future Sustainability Forum that brought together global sustainability leaders and expert speakers to explore global sustainability solution, particularly in indigenous regions. This forum has truly highlighted actionable steps and innovations that drive value and help us reach new sustainability milestones.

MARINA BIRD

DEC 05 DIFC Opens 2nd Future Sustainability Summit To Accelerate Global Transition To Low-Carbon, Climate-Stable Future

Dubai International Financial Centre (DIFC), the leading global financial centre in the Middle East, Africa, and South Asia (MEASA) region, today welcomed more than 3,000 industry leaders, government officials, and sustainability experts to the 2nd Future Sustainability Summit 2024. The event convened global experts to identify, collaborate and inspire with insights, to accelerate the global transition towards a low-carbon, climate-resilient future, and showcase the UAE's sustainable practices, specifically in the financial environment.

The first day of the Future Sustainability Forum showcased thought leadership in panel discussions on topics including facilitation and development of green financing mechanisms, enhancing stakeholder engagement for sustainable development, decarbonisation of the energy sector, prominence of building a circular economy, ESG reporting, and a roadmap to a sustainable 2025. The second day of the event

DIFC announces decarbonation strategy, achieving Net Zero by 2045 at Future Sustainability Forum 2024

by  Saputra — December 7, 2024 In Press Release

A photograph showing a large audience seated in rows, facing a stage where a speaker is standing. The setting appears to be a formal conference or forum. The image is part of a news article about the DIFC Decarbonization Strategy.

The image shows the OneArabia website's header with a dark blue background. The header includes the logo 'OneArabia' with a globe icon, a search bar, and a sign-in button. Below the header, there is a navigation bar with links: Latest, News, Football, Prayer Timings, Events, Women in MENA, Business (which is underlined), Sports, Entertainment, Lifestyle, Travel, and a more button. A magnifying glass icon is also part of the search bar. On the right side of the header, there is a timestamp '00:56:40 Dhur 12:14 PM'. A large promotional banner for 'BitRaser® Drive Eraser' is overlaid on the page. The banner features the text 'NIST Tested and Approved Drive Wiping Software' and a 'REQUEST A FREE DEMO' button. To the right of the text is a circular graphic with concentric lines and the word 'stellar' at the top. The overall layout is clean and professional, typical of a news or information portal.

The image shows the 'mid east information' logo on the left, featuring a blue square with a white dot and the text 'mid east information'. To the right is a banner for the 'DIFC announces decarbonation strategy, achieving Net Zero by 2045 at Future Sustainability Forum 2024'. The banner includes a photo of a speaker on stage, the DIFC logo, and the text 'SUBSCRIBE TO Telegram Channel' with a blue button. Below the banner is a 'SUBSCRIBE TO Telegram Channel' button with a blue background and white text. To the right is a 'SEARCH' button. The overall layout is a news website header with a central promotional banner.

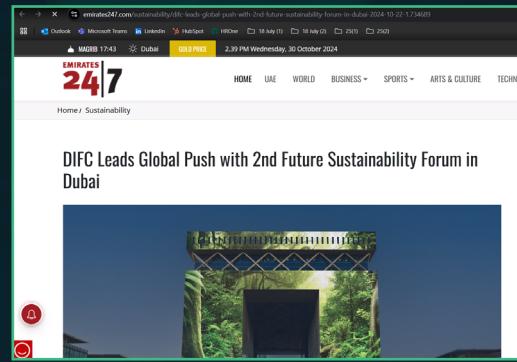

A screenshot of the SolarArabic website. The header features the SolarArabic logo with a green cross and the text 'SolarArabic' in Arabic and English. Below the header is a banner for 'ASTRONERGY' with the tagline 'For A Greener World' and 'ASTRONERGY' and 'ACROSS MTS 2020'. The main content area has a green background with white text. It includes a search bar, a navigation menu with Arabic and English links, and a news article about a green world. The article has a large image of a green globe and includes a quote from a scientific article.

A screenshot of the Emirati Times website. The header features the logo 'EMIRATI TIMES' with a shield icon. The main navigation menu includes links for HOME, GULF GENERAL, WORLD, BUSINESS, TECHNOLOGY, SPORTS, and CONTACT US. Below the menu, a breadcrumb trail shows 'Home > DIFC announces Decarbonation Strategy at Future Sustainability Forum 2024'. A green 'EVENTS & SHOWS' button is visible. The main content area features a large image of a person in a green suit standing in front of a large screen. The headline reads 'DIFC announces Decarbonation Strategy at Future Sustainability Forum 2024'. Below the headline, a sub-headline states 'DIFC launches Sustainability Progress Report, hosts Climate Tech World Cup, and sets new benchmarks for green innovation in global financial centers.' A byline indicates the article was written by 'Trainee Reporter' on December 6, 2024. The footer contains social media links for Facebook, Twitter, Instagram, and LinkedIn, along with a 'SUBSCRIBE' button.
