The Most Influential AI & Tech Event in Malaysia

The **World AI Show – Malaysia** brought together some of the most powerful voices in AI, data science, and digital transformation. With 46+ global editions and over **50,000 participants** across **10+ countries**, the Malaysia edition reinforced its position as a premier platform driving AI adoption and innovation in the region.

The event united **government leaders, enterprise tech visionaries, AI pioneers, investors, and startups** from across Malaysia and Southeast Asia to explore the latest advancements in **generative AI, machine learning, and intelligent automation.**

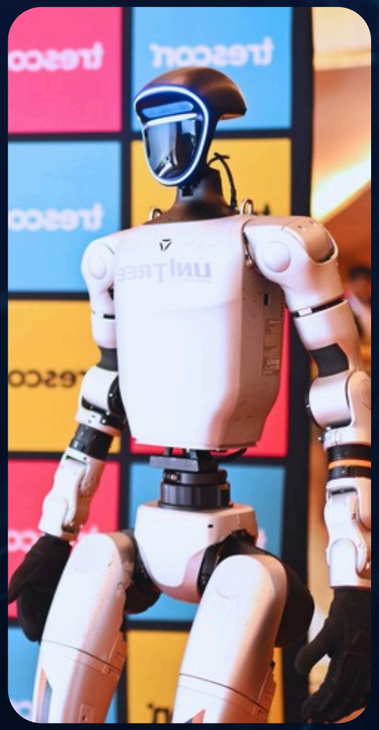

It featured visionary **keynotes, thought-provoking panel discussions, high-energy startup pitches, and curated networking sessions**, all designed to shape Malaysia's AI-powered future.

Testimonials

World AI Show Malaysia by Trescon is a great platform that brings together passionate minds in AI. The sessions were insightful, the audience highly engaged, and it's truly a timely initiative to strengthen Malaysia's AI ecosystem.

Shamsul Izhan Bin Abdul Majid
Head, National AI Office

World AI Show Malaysia was fair, insightful, and full of meaningful connections. The coordination by the Trescon team was excellent, and the event brought together quality speakers, exhibitors, and attendees driving real conversations around AI adoption.

Stephanie Liew
CISO, British American Tobacco

World AI Show Malaysia is an excellent platform by Trescon that brings together key stakeholders from government, industry, and academia to drive Malaysia's AI vision. The event was insightful, well-organized, and truly supports the nation's aspiration to become an AI-driven economy.

Dato' Ts. Dr. Haji Amirudin Bin Abdul Wahab
CEO, CyberSecurity Malaysia

The quality of the audience at World AI Show Malaysia was exceptional. The event brought together real decision-makers and like-minded professionals, creating meaningful interactions that were truly energizing and valuable for future decision-making.

Shanmuga Sunthar Muniandy
Director of Architecture & Chief Evangelist, APAC, Denodo

World AI Show Malaysia was a wonderful experience. The speakers were insightful, the discussions were current, and the environment was highly professional. It was a great opportunity for Alibaba Cloud to share our AI capabilities and connect with Malaysia's tech community.

Max Hua-En Chen
International Online Business Manager, Alibaba Cloud

World AI Show Malaysia was efficient, accurate, and spot on. Trescon once again delivered an excellent event with great ambience, quality speakers, and valuable networking opportunities for Malaysia's AI community
