# Summit Recap

The 25th global edition of World Blockchain Summit – Singapore 2023 was a huge success! Over 2000+ blockchain, crypto, and web3 industry experts from all over the world gathered to network, learn, and grow their businesses.

The summit was packed with exciting events, including keynotes, panel discussions, pitch competitions, and project showcases. Attendees had the opportunity to meet with experts, investors, partners, and other stakeholders, and learn about the latest trends in the industry.

One of the highlights of the summit was the Startup World Cup Pitch Competition Regionals, which was won by Zoksh, a unique and pioneering public blockchain. The competition was fierce, but Zoksh advanced core features ultimately set them apart from the competition.

Overall, the 25th edition of World Blockchain Summit – Singapore 2023 was a great success. Attendees left feeling inspired and motivated to take their businesses to the next level.
