REDEFINING CYBERSECURITY FOR A SAFER DIGITAL WORLD – STAYING VIGILANT

POST-EVENT REPORT

worldcybersec.com/jakarta

WCSS Overview

World Cyber Security Summit is a thought-leadership-driven, business-focused initiative that provides a platform for CISOs who are looking to explore new-age threats and the technologies/strategies to mitigate them.

The Summit is hosting CISOs across industry sectors from Indonesia who will meet, network, learn and engage with some of the world's renowned technology thought-leaders, subject matter experts, and technology innovators in a constructive, open-dialogue environment to find solutions for issues hindering their information/cyber security.

Testimonials

World Cyber Security Summit has created the right ambience for having a fruitful discussion with the prominent figures in the cybersecurity space in Indonesia and build relationships. At the same time, the organizers here at Trescon have ensured that there is a spirit of friendliness. Along with the business transactions going on, we have been able to build long-lasting relationships with prospective customers.

CHARLES ALEXANDER
Business Development Head for APAC and ANZ, **CloudSEK**

At World Cyber Security Summit, with the kind of audiences that Trescon brings and the structure, there is no competition. I can find the right prospects for purchasing our Privileged Access Management products. It is a great start; I'm looking forward to continue next year as well.

BRIJESH MISHRA
Sales Head,
Senhasegura, APAC, Indonesia & Middle-east

Very energising and exciting event with several global cybersecurity experts and professionals coming forward; interested to know more about our work in making this world a safer place. We bring together new technology and ideas such as End Point Detection & Response (EDR).

JEREMY HO
Regional Sales Director, Cybersecurity – South-east Asia, HongKong & Taiwan,
Sentinel One

Testimonials

The WCSS Jakarta opened our eyes in deepening the knowledge on cybersecurity expertise and insights from the participating qualified speakers and solution providers. We could pitch our API solutions which comes with AI and machine learning securities. Overall, the event by Trescon was innovative and constructive.

SUWITO SOWANDI
Head of sales & marketing
PT Samudra Informasi – Indonesia

This is a big event, where we are getting many insights from key players of the best organizations of the cybersecurity market. A really amazing and insightful day.

IRFAN IRAWAN
Cybersecurity council,
Credit Bureau of Indonesia

Fantastic event; got the opportunity to meet some really interesting people and diverse attendees. We had great conversations and learned more about the potential of applications security in this market.

ANDREW DUCK
CEO of **GuardRails**
Australia & Vietnam

The World Cyber Security Summit was an engaging event. It was good to see a lot of interesting and hot topics being discussed & debated. I think it was quite an enriching experience.

RAJESH GROVER
Group VP - Digital and Omnichannel, **Kanmo Group**
