<p>11:05 – 11:25 TECH TALK <i>20 Minutes</i></p>	<p>The Next Class of Cloud Infrastructure</p> <p>LEO ALVARADO Senior Manager, Technology Cloud Engineering Cloud Innovation Lead, Oracle ASEAN</p>
<p>11:25 – 11:40</p>	<p>Networking Opportunities, Exhibition Booth Visits, One-to-one meetings</p>
<p style="text-align: center;">Digital Workplace</p> <p style="text-align: center;">In the COVID world, Among many things the terms ‘workplace’ and ‘office’ have been redefined through accelerated processes like cloud migration. Concepts such as ‘cloud first’ and ‘cloud only approach’ have now become the mainstay while remote working is the new normal.</p>	
<p>11:45 – 12:15</p>	<p>Enabling Digital Workplace with Cloud</p>

**DIGITAL
WORKPLACE PANEL
DISCUSSION**

30 Minutes

- Create and deploy powerful virtual agents that are versatile and consistent, helping your workforce accomplish a wide spectrum of tasks.
- Develop your Business Intelligence with a data warehouse
- Build a preventive framework to reduce and mitigate the likelihood of business disruption
- Deliver business transformation through mobile and cloud native apps
- Implement the most immediate cloud workplace tools
- Consider the availability of critical cloud infrastructure for your overall value network.
- Leverage workplace technology that meets the needs of a distributed workforce
- Define policies around remote work

PANELISTS:

SAIFUL BAKHTIAR OSMAN,
Head of ICT, Malaysian Aviation Commission

WINNIE TALOSIG REBANCOS
CIO, Coca-Cola Beverages

FRANCIS VIERNES
Associate Director, Head of Data Analytics, LEECHIU

STEVEN WONG WENG LEONG,
Chief Operating & Financial Strategist (COO), China Construction Bank

MODERATOR:

REYNALDO LUGTU JR
CEO, Hungry Workhorse

12:15 – 12:25

10 Minutes

Q and A Session

12:30 – 12:45

TECH TALK

15 Minutes

How to Cloud with Confidence

Leveraging the cloud is the new norm, in fact most companies have more than one Public or Private Cloud instance. So how do we secure this complex, ever-expanding attack surface

	<p>DOUG FARNDAL Head of Growth Technologies, APAC, Check Point</p>
<p>12:50 – 13:05 TECH TALK <i>15 Minutes</i></p>	<p>High-Velocity Business Solutions</p> <p>In today's digital world, your customers demand multi-experience applications to make it easier to access your products and services. Are you in a position to keep pace with this need? If your company is unable to adapt quickly, you may face stiffer challenges from your competition. We believe cloud-based low-code application platforms provide you with the necessary edge to build business solutions at unprecedented speeds.</p> <p>SPEAKERS:</p> <p>ELBERT GUINTIVANO Director - Sales and Marketing, Via Appia Philippines Inc.</p> <p>IAN CRUZ Solutions Architect at OutSystems</p>
<p>13:05 – 13:35 <i>30 Minutes</i></p>	<p>Networking Opportunities, Exhibition Booth Visits, One-to-one meetings</p>
<p>13:40 – 14:10 CLOUD & DATA PANEL DISCUSSION <i>30 Minutes</i></p>	<p>Data Management and Security Enhancements For the Cloud</p> <ul style="list-style-type: none"> • Data interoperability and Modernizing of data-driven applications • Data Ownership and Privacy Challenges • Ease data complexity, provide a central access point, bring greater data visibility, lessen legal and regulatory risk, and save costs • Security techniques from both software and hardware aspects for protecting data in the cloud • Cloud Compliance with intelligent, context-aware AI • Enforce segmentation and threat controls for workloads in IaaS, PaaS, SaaS environments <p>PANELISTS:</p> <p>GENALYN MACALINAO Policy Lead, Cybersecurity Bureau, DICT</p>

<p>14:10 – 14:20 <i>10 Minutes</i></p>	<p>LEANDRO ANGELO Y. AGUIRRE Deputy Commissioner of the National Privacy Commission</p> <p>POI HIERRO Director and Group Head of Technology and Engineering, Entrego</p> <p>MODERATOR:</p> <p>PARAG DEODHAR Director - Information Security, Asia Pacific, VF Corporation</p> <p>Q and A Session</p>
